# Half Days for 2023-2024 School Year

The school district has removed the Early Release program from the school calendar. Instead, they have added more half days to the school year. Half days are part of Okemos Kids Club and need to adhere to the 1:18 staff to student ratio set by the state of Michigan for child care centers.

Families will register for half day care when a Google Form registration is sent through email the month preceding care. *\*\*Half days are NOT included in the supersaver rate.* Families that are supersavers must register separately for half days. OKC programs at each elementary school and Kinawa will take *up to 36 kids* to make sure we have adequate staff from 12:00-3:00 (our biggest challenge). **IF** individual schools end up having enough staff to take more children, directors will let families know and that particular school could accommodate more than 36 children if able.

## Half Day Dismissal Times

Elementary 12:00

Kinawa 11:55

Chippewa 11:10

## Half Day Rates

Regular Rate \$25/day

Sibling Rate \$22.50/day
