

Hiawatha Elementary School
1900 Jolly Road
Okemos, MI 48864
(517) 706-4501

March 1, 2019

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-18 educational progress for the Hiawatha Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Julie Bellinger, Principal, for assistance.

The AER is available for you to review electronically by visiting the following web site www.mischooldata.org, or you may review a copy in the main office at your child's school.

For the 2017-18 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was identified with any designation or label.

We would also like to report some additional information below that may be of interest to parents and community members.

PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

Students are assigned to our school by the neighborhoods in which they live. We have an in-district transfer program allowing students to attend elementary schools other than the one they are assigned to if space allows. We also accept school-of-choice students from outside the district if space allows. There are specific policies and procedures that are followed for both in-district transfers and school of choice.

THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

Members of Hiawatha Elementary School are actively involved in our continuing improvement process led by the building school improvement team. The school improvement team meets regularly throughout the school year to review student needs and determine the impact of our school's instructional program on student achievement. The team is composed of classroom teachers, as well as specialists, support staff, and the principal who serve the varied needs of the students.

Members serve as contact to other building staff to convey information, seek input,

or discuss concerns. The building principal is an integral member of the team. The building school improvement team uses a variety of data sources to establish ongoing improvement goals and evaluate progress made toward those goals. Parent and staff input into goals and strategies are solicited through formal and informal methods.

CORE CURRICULUM

The format for curriculum review in Okemos Public Schools involves committees of teachers and administrators and generally operates on a seven-year cycle. Our curriculum is currently aligned with the Michigan Academic Standards which serves to outline learning expectations for all students. They are used as a framework by our schools for curriculum development with the curriculum itself prescribing instructional resources, methods, progressions, and additional knowledge valued by our local community. Furthermore, these standards provide a platform for state assessments, which are used to measure how well schools are providing opportunities for all students to learn the content outlined by the standards. Curriculum summaries are presented to parents at all grade levels. The district has developed an aligned assessment plan and a written calendar for all standardized assessments for the core academic content areas.

The performance of students in grades 3-8 is assessed using data from the M-STEP (Michigan Student Test of Educational Progress). Students scoring in the lower quartile receive specific instructional support. During the 2017-18 school year we administered Fast Bridge as a universal screener in the areas of early literacy, early numeracy, oral reading fluency, reading comprehension, math computation, and math concepts and applications. These screening assessments were given to K-4 students three times during the school year. This data will assist us as we further our implementation of Response to Intervention/Multi-Tiered Systems of Support. The district continues to identify students of high-ability and provide instructional differentiation in the classroom with the support of the Gifted and Talented Coordinators. Alternative measures of assessment are also used, for example: running records, non-routine problem-solving approaches, projects, writing portfolios, etc. Criteria have also been established for identifying students who are failing or at risk of failing.

STUDENT ACHIEVEMENT RESULTS

FastBridge (CBM-R - Reading Fluency)

Grade	2016-2017 <i>*% at or above target</i>	2017-2018 <i>*% at or above target</i>
3	72%	62%
4	68%	66%

FastBridge (aReading - Adaptive Measure of Broad Reading Skills)

Grade	2016-2017 <i>*% at or above target</i>	2017-2018 <i>*% at or above target</i>
3	77%	74%
4	74%	71%

FastBridge (aMath - Adaptive Measure of Broad Math Skills)

Grade	2016-2017 <i>*% at or above target</i>	2017-2018 <i>*% at or above target</i>
3	78%	56%
4	74%	72%

PARENT-TEACHER CONFERENCE PARTICIPATION

We continually seek feedback from stakeholders about the effectiveness of our instruction. Many opportunities are available for parents to become involved in our school and district decisions and programs. Parent opportunities to give feedback include parent-teacher conferences, school and district committees, individualized educational planning meetings, school improvement meetings, the public comment portion of school board meetings, Community Conversations, Parent-Teacher Organization meetings, email exchanges, fall curriculum nights, and our open-door policy to classrooms and the principal's office. Parents have many opportunities to volunteer at Hiawatha in roles such as academic tutors, classroom helpers, "picture person," field trip chaperones, library helpers, guest readers, guest speakers, Junior Achievement, family activities, and in a variety of Parent-Teacher Organization (PTO) events. We participate with families in many ways to support our students, including the Hiawatha Harvest, The Hiawatha Happening, Entrepreneur Night, Open House, Science Night, Mileage Club, and Field Day.

Percentage of Students Represented by Parents Attending Parent-Teacher Conferences at Hiawatha		
	Fall	Spring
2015-16	98%	97%
2016-17	98%	96%
2017-18	97%	98%

2018-2019	98%	
-----------	-----	--

The Okemos Public Schools are committed to working in partnership with the community to provide broad, comprehensive educational opportunities and a superior quality academic curriculum, individualized to allow students to realize their highest potential and gain a lifelong love of learning. We welcome you to join us in the continued pursuit of our district's mission – **Together...Educating with Excellence, Inspiring Learners for Life.**

Sincerely,

Julie M. Bellinger
