

### Capital Outlay (Flexible Seating, Fine Arts & Athletics)

<b>I Like:</b>	<b>Count</b>	<b>Topic</b>	<b>I wonder:</b>	<b>Counts</b>	<b>Topic</b>
Flexible Seating idea is creative, helps learning (9)	9	Flexible Seating	This can negatively affect some students. This can distract other students who need more structured environment.	1	Flexible Seating
The idea of musical instruments in elementary.	1	Fine Arts	How does flexible seating mesh with devices?	1	Flexible Seating
Collaborative, transformative Flexible Seating Options (3)	3	Flexible Seating	Have you evaluated this option for other students?	1	Flexible Seating
Water fountains that can easily fill water bottles.	1	Capital Outlay	Were all grade levels considered for flexible furniture?	1	Flexible Seating
The investment in Fine Arts (2)	2	Fine Arts	More information re: flexible seating for community needed to evaluate decisions and to support	1	Flexible Seating
Acknowledging/incorporating the handicap accessibility needs in athletic consideration	1	Athletics	How is flexible furniture defined (more than just wheels)	1	Flexible Seating
Sounded great!	1		Would rolling chairs/tables be more of a distraction than an asset? May work 9-12, maybe not K-4 (2)	2	Flexible Seating
Buy it	1		PD to best utilize flexible seating would be necessary	1	Flexible Seating
Emphasis on athletics	1	Athletics	Space? Do we have room currently?	1	Flexible Seating
Spending funds on our kids/future	1		If a long term plan has been developed for these areas?	1	
Flexible furniture can be rearranged	1	Flexible Seating	If needed to prioritize air conditioning has greater impact	1	Capital Outlay
New lockers are needed to replace old lockers and add lockers to match (2)	2	Capital Outlay	More info about the pool and if they have a need	1	Athletics
Increased enrollment	1		Thinking about the ergonomics	1	Flexible Seating
Pool (2)	2	Capital Outlay	Are wheels locking?	1	Flexible Seating
We have an amazing music department-what they say they need we should support. (2)	2	Fine Arts	How will decisions be made in relation to other categories presented – priority	1	
Fine Arts is a draw to the community	1	Fine Arts	Will Wardcliff be used for sports?	1	Athletics
Fine Arts is a priority over athletics	1	Fine Arts	How do we ensure our community finds the funds to do this, where is the funding	1	
Flexible seating helpful for students with ADHD	1	Flexible Seating	How are Fine Arts supported/addressed across all grades and schools?	1	Fine Arts
Movement is important for learning	1	Flexible Seating	What is the signage for? (2)	2	Capital Outlay
Drinking fountains (2)	2	Capital Outlay	What are the instruments for? Do parents rent them?	1	Fine Arts
Students should have state of the art environment	1		Adult Furniture (staff desk)	1	Flexible Seating
Everything feels important.	1		Increase Fine Arts at the elementary and decrease athletics at the high school	1	Fine Arts
No issues with the flexible seating, just cost	1	Flexible Seating	Can we “make do” with less Fine Arts purchases	1	Fine Arts
New, quality furniture increases pride and improved learning environments	1	Capital Outlay	Why pay to play? I pay taxes	1	Athletics
If it is old, it should be replaced	1	Capital Outlay	Pay to play in not equitable	1	Athletics
Support track and field recommendations	1	Athletics	All at the high school? (2)	2	Athletics
Support the need to accommodate and host other teams.	1	Athletics	Unclear about restroom facilities at baseball fields	1	Athletics
Have had a positive experience	1		Leaking auditoriums at CMS	1	Fine Arts
In big picture, athletic needs seem reasonable	1	Athletics	High School lights flicker	1	Fine Arts
There was a comprehensive evaluation of needs by those involved and those that have knowledge (trust process)	1		Seating at Kinawa auditorium	1	Fine Arts

Musical instruments	1	Fine Arts	When do we upgrade for fine arts? Where does the money come from?	1	Fine Arts
Instrument room support	1	Fine Arts	Unclear about Fine Arts, which buildings?	1	Fine Arts
Level 3 keycards	1		What does flexible seating look like for preschool?	1	Flexible Seating
			Would it include pedals, balls etc. for feet/leg movement?	1	Flexible Seating
			Could the lockers be secure to protect items from theft?	1	Capital Outlay
			Do students at OHS use lockers or carry belongings?	1	Capital Outlay
			Should capital outlay be less of a priority than security if we can't have it all?	1	Capital Outlay
			What would the flex furniture look like?	1	Flexible Seating
			Can capital outlay be rolled out over 4 yrs. address highest needs 1 <sup>st</sup> ?	1	Capital Outlay
			What are the needs of our playgrounds (safe, updated).	1	Capital Outlay
			Cost of athletic recommendations. How do they prioritize with other needs of the district?	1	Athletics
			How necessary are the athletic recommendations? Do we need all this?	1	Athletics
			Where exactly would parking be added? College fields? Impact on traffic flow	1	Athletics
			Our athletic fields/facilities pale in comparison to the greater needs.	1	Athletics
			Many are underwhelmed by our athletics.	1	Athletics
			Soccer lights – led by parents of athletes	1	Athletics
			What about private fundraising for athletics? If we can pay for it, then we do not question the need. However, our priorities needs to be facilities and security.	1	Athletics
			Is security above a swimming pool?	1	Athletics
			Only high school athletics? What about middle school or elementary?	1	Athletics
			Only high school fine arts? What about middle schools and elementary? (3)	3	Fine Arts
			What is the black box theatre?	1	Fine Arts
			Prioritize instruments (old)	1	Fine Arts
			Are we adding on to practice rooms? Do we currently have any?	1	Fine Arts
			Flexible seating seems really expensive.	1	Flexible Seating
			Have we gotten input from the staff, does it work for them? (2)	2	
			Input from other districts who have implemented flexible seating	1	Flexible Seating
			Consider/evaluate why the pool isn't working or meeting the needs/purpose and be sure to correct	1	Athletics
			Verify that this makes sense.	1	
			Why not just do it all?	1	
			How much athletic equipment do we need?	1	Athletics
			Buying for the future – thinking about growth now (lockers, desk etc.)	1	Capital Outlay
			How does flexible seating look?	1	Flexible Seating
			More detailed information needed re: fine arts and athletics	1	
			Flexible furniture options for staff too	1	Flexible Seating

## Security

<b>I Like:</b>	<b>Count</b>	<b>I wonder:</b>	<b>Counts</b>
Camera and Buzzers/Locked Doors (6)	6	When do you plan to implement these suggestions?	1
3M Film (8)	8	Is 3M film stronger than mesh windows?	1
Vestibule Options (8)	8	How to join future community work?	1
All level 1 recommendations (4)	4	Mental Health Support (2)	2
That security is a priority	1	Will 3M Film prevent staff/students being able to escape the building in a crisis when windows don't open?	1
Minimal cost	1	Security staff at main entrance of buildings	1
Update police notification system	1	How much are we closing our students in?	1
		Any research on best practice regarding vestibules with redirect to the office?	1
		Training for office staff monitoring cameras/buzzers	1
		What about potential threats that are already in the?	1
		What are we trying to accomplish?	1
		How is this going to impact our culture?	1
		How far do we go with security and limiting student freedoms? (2)	2
		How to manage the entrance with the system	1
		How to protect students outside of the building	1
		How to support personnel.	1
		Radios for staff (2)	2
		Proper balance	1
		Assessment first (2)	2
		How to train students	1
		Metal Detectors? (2)	2
		More info on security	1
		How to stop student shootings	1
		Someone checking bags upon entry	1
		Why direct to the office (control center) (2)	2
		Meridian Township Police in all buildings? (2)	2
		Grants?	1
		If it is needed and what level?	1
		Cost? (2)	2
		Alarms at all entry doors	1
		Sr Center secure to CMS	1
		Is 3M film bullet proof, is it transparent	1
		Don't want security to affect culture	1
		Policy/Protocol	1
		After hours	1
		More Signage	1

### Long-Term Facilities Options

<b>I Like:</b>	<b>Count</b>	<b>Topic</b>	<b>I wonder:</b>	<b>Counts</b>	<b>Topic</b>
Opening Edgewood and renovating it. (3)	3	Reopen	I don't like the idea of putting an addition on to Kinawa and removing 4 <sup>th</sup> grade from existing elementary schools. Personally, I don't want to have my kids leave elementary school any sooner than necessary.	1	
Having 4 <sup>th</sup> grade move out of elementaries, reconfiguring Kinawa & Chippewa (3)	3	Reconfigure	If we should be more deliberate in gathering data for Wardcliff.	1	
Kinawa because it creates equity in the district, keeps school families together (2)	2		When do you need to make the decision?	1	
Edgewood/Wardcliff would create a neighborhood school and sense of community. (2)	2	Reopen	Mobility	1	
Repurposing buildings instead of building new (2)	2	Renovate	Have we considered the generational turnover at Wardcliff?	1	
Using Edgewood and reopening versus building onto an existing building.	1	Reopen	What is the cost to open Wardcliff?	1	
Adding on to Kinawa, seems least disruptive and cost effective.	1	Renovate	How reconfiguring will affect Montessori? (3)	3	Reconfigure
Using an existing building (Edgewood)	1	Renovate	How the traffic would be impacted for Kinawa Dr.	1	
The flexibility of reconfiguring (allowing space for elementary) and adding on to Kinawa/Chippewa	1	Reconfigure	How we would maintain a neighborhood school feel with bigger schools.	1	
Having 4 <sup>th</sup> grade at elementary	1		Why was Wardcliff not higher on the list of recommendations? (4)	4	
Re-opening, adding on to, reconfiguring etc. existing buildings.	1	Reopen	If reopening Wardcliff would offset the costs for transportation.	1	Reopen
Consider adding on to Kinawa & Chippewa to accommodate growing enrollment.	1	Renovate	How Bennett Woods and Hiawatha could handle even more students.	1	
Building a new building.	1	New	Are proposals going to create enough space to accommodate/sustain enrollment (more than 5 yrs.)	1	
The idea of reconfiguring.	1	Reconfigure	What will happen to Wardcliff if we do not reopen it as a school? (2)	2	
Putting 4-6 at Kinawa, also 4-6 Montessori at Kinawa	1	Reconfigure	Is Wardcliff at risk of being sold?	1	
Reconfigure Kinawa and build/update facilities and classrooms	1	Reconfigure	How the travel distance affects Wardcliff community	1	
Adding 4 <sup>th</sup> Gr to Kinawa would mean the added playground would be accessible to 5-6 <sup>th</sup>	1	Reconfigure	At what point will the board decide whether to build a new building?	1	
Having 4-6th together	1	Reconfigure	What makes the best fiscal sense?	1	
			If you've looked at past decisions about enrollment (closing schools and then needing to add portables)	1	
			Developmentally what does the research show for 4 <sup>th</sup> grade (educational data driven)?	1	Reconfigure
			If we could repurpose current buildings before building something new	1	Renovate
			Is the Senior Center a part of the district?	1	
			Can Wardcliff be Community Ed and Edgewood reopen as an elementary?	1	Reopen
			How much of new enrollment will be School of choice?	1	

			What are the timelines for short term and long term?	1	
			How lunches/specials will be accommodated if Kinawa adds 4 <sup>th</sup> gr?	1	Reconfigure
			If we built a new school on Kinawa Dr., who would it serve (close to Hiawatha and Cornell)?	1	
			Are other cost added in i.e. maintenance, admin, specialist	1	
			Can we keep language option open possibly as a language immersion school?	1	
			Can we house 4-6 <sup>th</sup> or 6-8 <sup>th</sup> realistically and maintain programs?	1	Reconfigure
			How much renovation is required to make K-3 and 4-6/6-8 <sup>th</sup> work?	1	
			How do we keep community feeling with large buildings?	1	
			Carlines/traffic at Kinawa/CMS if reconfigured (2)	2	
			Can there be a Kindergarten building and a 1-4 <sup>th</sup> building?	1	Reconfigure
			Consider a Preschool/K building	1	Reconfigure
			Emotions may be high for people involved in previous reconfiguration – communication & information is essential	1	Reconfigure

## Transportation, Technology & Air Conditioning

<b>I Like:</b>	<b>Count</b>	<b>Topic</b>	<b>I wonder:</b>	<b>Counts</b>	<b>Topic</b>
Year-round school "future proofing" (6)	6	AC	Can we contract out bussing?	1	Trans
Air conditioning for comfort of teachers and students (5)	5	AC	Can we share buses with other districts?	1	Trans
Air conditioning (5)	5	AC	Average life span of a bus (2)	2	Trans
Adding buses – need these as buses are overcrowded and every students needs a seat. (3)	3	Trans	Are we providing enough devices for increased enrollment?	1	Tech
Replacing buses for safety (2)	2	Trans	Do we have a regular fund to update technology for district?	1	Tech
Devices provided for students, current, maintained, repaired and filtered (2)	2	Tech	Are we using correct device?	1	Tech
Everyone using same device.	1	Tech	Energy use of air conditioners?	1	AC
Transportation upgrades to buses	1	Trans	Have we looked into solar panels (2)	2	Tech
Air conditioning allows for different school schedules	1	AC	Should devices go home?	1	Tech
Standardization and maintenance of technology	1	Tech	How does our technology compare with other districts?	1	Tech
Addressing auditorium upgrades (lighting)	1	Tech	Do we have a long term plan for upgrading technology?	1	Tech
Staggering purchases makes sense.	1	Tech	Are we monitoring screen time, heat of the devices etc.?	1	Tech
Once you start providing the technology, you have to continue.	1	Tech	Physical health issues related to technology.	1	Tech
Support theatre equipment.	1	Tech	How are we ensuring teachers are implementing the tech into the classroom in ways that are useful?	1	Tech
Like the idea of consistent rotation of new buses	1	Trans	New bus route after adding a bus? (2)	2	Trans
Addressing over capacity of buses.	1	Trans	If we can link transportation planning to facilities planning- focus the decision on how mobility will be impacted if we reopen a school, redistrict grades etc.	1	Trans
Safety in buses (seatbelts)	1	Trans	Can we reduce buses and increase walking/biking?	1	Trans
Transportation – is it enough, will it cover more areas too?	1	Trans	Do we need 20% of bus fleet as spares?	1	Trans
Not being tied to a traditional calendar (AC)	1	AC	Lease buses instead of purchase?	1	Trans
Air conditioning is good for allergies and equipment	1	AC	System/facilities for bus repairs	1	Trans
Student devices – wish they could decrease physical textbooks	1	Tech	What is the criteria for replacing buses?	1	Trans
When the technology works!	1	Tech	Are we considering geographical area as well as increased enrollments?	1	Trans
			Units or central air conditioning?	1	AC
			Leased or purchased air conditioning?	1	AC
			Computer device distribution	1	Tech
			Increased cost for technology filters	1	Tech
			Will bus routes shorten with more buses?	1	Trans
			Is there a student bus check-in system?	1	Trans
			What are the additional costs for bus drivers/employees?	1	Trans
			If Wardcliff is opened, many students can walk and save on bussing	1	Trans
			If Redi-Ride fails, have we considered impact on bussing?	1	Trans
			Is there data to show how useful technology is?	1	Tech
			Has an assessment been done on how effective current technology is?	1	Tech

			Are ongoing tech upgrades built into proposal?	1	Tech
			Replacing existing or introducing new technology?	1	Tech
			Long term development option?	1	Tech
			Are we buying enough buses to accommodate new development (are we buying aggressive enough)	1	Trans
			What about students at Central that will go to Kinawa (need bussing)?	1	Trans
			Are we prioritizing technology accurately (scoreboards vs class tech)	1	Tech
			Parent training – what are our kids doing with technology?	1	Tech
			Are we accounting for additional bussing coverage (Briarwood)?	1	Trans
			Are they considering chrome books as devices?	1	Tech
			Air control filtering systems to help with device cleanliness.	1	Tech
			How is technology being monitored for safety and security?	1	Tech
			Will this address inconsistent AC in admin building and other currently AC'd buildings	1	AC
			Professional development for new or changing technology with non-teaching staff	1	Tech
			Does this proposal address overcrowded buses?	1	Trans
			What technology upgrades are being considered.	1	Tech
