

## **ADMINISTRATION**

### **Functions of the Principal**

Principals shall administer and supervise the school to which they are assigned in accordance with the principal position description, board policies, the Michigan School Code, and rules and regulations prescribed by the superintendent or designee. Educational opportunities, programs, and curriculum shall be consistent from school to school at the elementary, middle and high school levels.

The principal is responsible to the superintendent or designee and shall keep the superintendent or designee advised and make recommendations relative to conditions and needs of the school.

The principal shall perform other duties as assigned by the superintendent or designee.
