

## **OPS Strategic Planning Committee Membership and Overview 2019-20**

**Goal:** To craft a strategic plan to ensure that the district is addressing the critical issues as perceived by the Board, community, parents and staff; ensure that there is a shared mission and common values and beliefs that guide our efforts.

**Rationale for goal:** The district's strategic plan's last major update was in 2011. It is imperative that we develop a strategic plan to ensure that Okemos Public Schools continues to focus on relevant and essential topics, as viewed by all stakeholders.
